FREQUENTLY ASKED QUESTIONS

Q1: Can I drive other vehicles with this policy?

A: Only if your certificate includes "Driving Other Cars" (DOC). Usually available to policyholders only on comprehensive cover and subject to conditions.

Q2: Will changing my address affect my premium?

A: Yes. Premiums are postcode-rated, and moving may increase or reduce your premium based on local risk.

Q3: Do I need to declare vehicle modifications?

A: Yes. Any modifications (cosmetic or performance-related) must be disclosed to avoid invalidating your policy.

Q4: What is an excess and how does it work?

A: It's the portion of any claim you must pay. For example, with a £250 excess on a £1,000 claim, you pay £250 and your insurer pays £750.

Q5: Can I cancel my policy mid-term?

A: Yes. You can cancel at any time, though an administration fee may apply. Refunds are calculated on a pro-rata basis.

WHAT TO DO IN CASE OF AN ACCIDENT

1. Ensure everyone's safety

Check for injuries and move to a safe place. Call 999 if necessary.

2. Exchange details

Collect names, addresses, registration numbers, and insurance info from all involved parties.

3. Do not admit fault

Give only the facts. Responsibility will be determined by the insurer based on evidence.

4. Gather evidence

Take photos of all vehicles, licence plates, damage, road conditions, and surroundings.

5. Report to your insurer

Notify your insurer within 24 hours, even if no claim is being made.

6. Collect witness details

If possible, ask any witnesses to give their names and contact numbers.

7. Contact the police if required

Mandatory if someone is injured, if there's damage to public property, or if other parties fail to stop or provide details.
